

LEAD FLOW DASHBOARD

CAPTURE INSIGHTS FOR IMPROVED PERFORMANCE

While marketers are dealing with more data than ever before, very few use it to optimize marketing initiatives. Leverage data and analytics to gain insights into campaign activity and performance with our Lead Flow Dashboard.

This cutting-edge platform offers a user-friendly interface that allows marketers to watch and optimize campaigns in real time.

The Lead Flow Dashboard enables users to:

- Track metrics that matter, such as CPL, leads delivered, leads returned, and leads remaining
- Re-allocate budget in real time
- Segment data by partner or campaign for meaningful statistics
- Pause non-performing assets and partners

Send general program feedback
